ABOUT US

Welcome to Mandika.

Mandika is the creator of holistic experiences, designing more than just luxurious bathware products. Rather, we work with valuable natural resources to transform imagination into reality through detailed design, dedicated craftsmanship and superior service.

We are specialized in handmade stone composite bath-ware, to provide your comfort and appealing design.

Minimum in machinery and more on handcrafting.

Each of our products are stunningly designed, engineered in The Netherlands and manufactured in Indonesia. Even more importantly than looking great, our baths are produced from the highest quality materials and provide the best experience, while also being long-lasting and eco-friendly. With our matching range of baths, basins and bath accessories.

Mandika is your go-to supplier for a classy bathroom that will stun your guests and make you feel like absolute royalty at home.

We look forward to helping you create your dream bathroom.
